

A Nordic Learning Experience

*Learning English Through a Finnish
Adventure*

INSPIRED BY THE FINNISH EDUCATION MODEL

- QUALITY EDUCATION
- WELLBEING
- CREATIVITY
- INNOVATION
- INCLUSION

18-31 JULY 2026

14-19 Y.O. STUDENTS

Finland is internationally known for its innovative education system and its safe, inspiring environment for young learners.

The Finland Summer Experience combines English language practice with outdoor activities, cultural discovery, and Nordic exploration.

Students improve their communication skills through real-life interaction, creative workshops, and travel experiences across Finland and the Baltic region.

Why Choose Finland?

- ✓ Safe and welcoming country
- ✓ World-renowned education system
- ✓ English widely spoken in society
- ✓ Unique combination of nature and culture
- ✓ For the 9th year in a row *Happiest Country in the World*

Students practice English as a global communication language,

INCLUSIVE LEARNING ENVIRONMENT

OUR METHODOLOGY EMPHASIZES COMMUNICATION, CREATIVITY, AND EXPERIENTIAL LEARNING, MAKING THE PROGRAM PARTICULARLY SUPPORTIVE FOR STUDENTS WITH DIFFERENT LEARNING STYLES, INCLUDING DYSLEXIA.

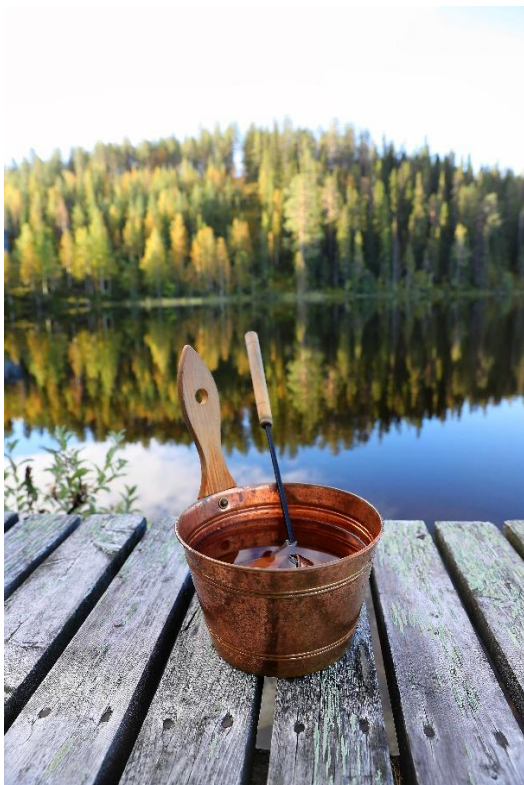

using it every day with teachers, guides, the local community, and fellow participants.

Learning by Doing

Unlike traditional language schools focused mainly on classroom lessons, this program integrates learning with experience. Students participate in:

- Art and handicraft workshops
- Outdoor activities in Finnish nature
- Visits to farms and local producers
- Horse riding
- Fishing on Finnish lakes
- Cultural excursions

Language learning becomes part of daily life.
